### Mentor Program Agreement

*As a participant of the 2017 Mentor Program, I, \_\_\_\_\_ will benefit from personal interaction with an experienced professional within the SMPS Community as well as group participation with other members.*

*I understand that building a professional and social relationship through the mentorship is accomplished by committed attendance at SMPS sponsored events throughout the year, as well as meeting on an individual basis. The more committed a Mentor and Mentee are to the relationship, the more satisfaction gained by all.*

#### *Program Guidelines/Participation Requirements:*

- *Establish a schedule to meet regularly. The program requires the following:*
  - *Once a month face to face meeting (i.e. coffee, lunch, happy hour, below sponsored Mentor Program Events, etc.)*
- *Attend three sponsored Mentor Program Events together throughout the year.*
  - *Mentor/Mentee Kick-Off Event*
  - *Mid-Program Event*
  - *Final Celebration Event at the Annual Meeting in June*
- *Confidentiality is required. Breach of confidentiality will result in required resignation from the program.*

*I, \_\_\_\_\_ understand that the above guidelines have been established to provide satisfactory experience by myself and my mentor/mentee and agree to the above terms.*
